

'Morning Star' Chapter No 33

'Morning Star' Chapter No. 33 was consecrated on 29th May 2009. It is a Higher Degree Chapter and its Members hold the 30th Degree and above.

**The first M.W.S enthroned being M.:P.:Bro. Th.S Theodossiou 33°
Sob. Grand Commander.**

Morning Star is one of the most important masonic symbols. It represents the Star in the sky that remains shining after the time when a new day appears on the horizon. It symbolizes the endless continuity of the world and is that Star that a Mason can look toward and be inspired for hope, for life and for knowledge.

The number 33 that was given to this Higher Degree Chapter is the mysterious and significant number of Freemasonry and equal number to the degrees of the Scottish Rite
